

BaseModel

```
classDiagram
    class BaseModel
    class userUser["user.User"]
    userUser --|> BaseModel
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a thin gray border containing the text "BaseModel". Below it is a gray rectangular box with a thick black border containing the text "user.User". A solid blue arrow points vertically from the top center of the "user.User" box to the bottom center of the "BaseModel" box, indicating that "user.User" inherits from "BaseModel".

user.User
